BROPHY FPV CLUB · LINKS

Every QR code.

Cut one out and tape it where it is needed; they all live on this sheet so nobody has to type an address.

The club site · short link

Home page: the weekly leaderboard, who is certified, Pilot Path, Flight Clearance. The address people can type.

elmagoct.github.io/fpv

Pilot Path

Every badge and what passes it, the lessons and quizzes, your progress.

elmagoct.github.io/brophy-fpv-club/pilot-path/

Flight Clearance

The certification badges, your drone portfolio and the permission form.

elmagoct.github.io/brophy-fpv-club/clearance/

Permission form

Mr. Burr's Google Form, 24 hours before every flight. Brophy sign-in.

docs.google.com/forms/…

Pilot Agreement · the paper

The one-page contract you and a parent sign. Print it, sign it, photograph it.

elmagoct.github.io/brophy-fpv-club/clearance/agreement.html

Pilot Agreement · the terms

What the paper says, readable on a phone.

elmagoct.github.io/brophy-fpv-club/clearance/terms/

FPV background playlist

The club's YouTube playlist: the videos that play on the kiosk between sessions.

youtube.com/playlist?list=PLSMZuEPVkmR_…

B4UFLY · airspace check

The FAA's airspace tool for recreational flyers. Brophy is outside Sky Harbor's Class B.

faa.gov/uas/getting_started/b4ufly

FAA TRUST test

The free recreational test, about 20 minutes, cannot be failed. Badge 1 of the certification.

trust.pilotinstitute.com

FAA · recreational flyers

The rules every hobby pilot flies under: 400 ft, line of sight, TRUST, registration over 250 g.

faa.gov/uas/recreational_flyers

Liftoff on Steam

The main club simulator, for practising at home. Any controller works to start.

store.steampowered.com/app/410340/

Betaflight in the browser

The configurator the bench badges use. Chrome, a USB cable, props off.

app.betaflight.com

Home page · full address

Same page as the short link, the long way round.

elmagoct.github.io/brophy-fpv-club/

These posters

Print-ready PDFs of every sheet on the wall, including this one.

elmagoct.github.io/brophy-fpv-club/posters/
