BROPHY FPV CLUB · THE SIM

FLY FPV.

1 PICK YOUR NAME

Tap it on the home screen.

Not there yet? Add it: first name + last initial.

2 PICK A SIM

The dock at the bottom. One click, then wait for green.

3 FLY 15 MINUTES

The clock is on the home screen. Your hours log themselves.

4 HAND IT OVER

HOME → switch pilot, and give the radio to the next person.

Never close a sim from inside it. Leave the radio plugged in.

Crashes cost nothing. Go fast.

WHAT IS THERE

Every badge and what passes it. The lessons and quizzes. Your hours and the leaderboard. Flight Clearance, when you are ready to fly a real drone.
