BROPHY FPV CLUB · LINKS

Every QR code.

Cut one out and tape it where it is needed; they all live on this sheet so nobody has to type an address.

The club site · short link

Home page: the weekly leaderboard, who is certified, Pilot Path, Flight Clearance. The address people can type.

elmagoct.github.io/fpv

Pilot Path

Every badge and what passes it, the lessons and quizzes, your progress.

elmagoct.github.io/brophy-fpv-club/pilot-path/

Flight Clearance

The Brophy Drone Certification badges, your drone portfolio and the permission form.

elmagoct.github.io/brophy-fpv-club/clearance/

Permission form

Mr. Burr's Google Form, 24 hours before every flight. Needs a Brophy Google sign-in.

docs.google.com/forms/… (the form)

Pilot Agreement terms

What you and a parent sign. The printable one-page paper is linked from here.

elmagoct.github.io/brophy-fpv-club/clearance/terms/

Home page · full address

Same page as the short link, the long way round.

elmagoct.github.io/brophy-fpv-club/

These posters

Print-ready PDFs of every sheet on the wall, including this one.
